

Making Medicare Simple

Free personalized Medicare assistance to find a health plan that best fits an individual's needs.

Educational Services, LLC. is dedicated to providing its members with more cost effective choices when it comes to choosing the right health plan. In addition to the ASRS plan, there are other choices available that may better suit your needs. These plans can result in significant cost savings and increased benefits for you.

We have partnered with Strategic Growth Insurance, Inc. (SGIA), experts in all things health plan related. Their mission is to make Medicare simple by providing the information needed to make the best choice and handling the entire process for you.

SGIA's Certified and Licensed Medicare Benefit Consultants complete a detailed needs assessment based on each individual's unique situation. The appropriate health plan is then recommended and applied for.

We encourage you to contact SGIA at anytime to discuss your options. The Open Enrollment period for Medicare starts on October 15th.

Assistance includes:

- ➔ Free confidential assistance and information on all things health plan related.
- ➔ Expertise in all areas of Medicare including Part A, Part B, Part C, Part D and supplemental plans.
- ➔ Detailed comparison of all major Medicare plans to find the most appropriate one.
- ➔ Handling all aspects of the enrollment process.
- ➔ Excellent ongoing customer service and support.
